**SECOND REQUEST FOR CORRECTION OF OFFICIAL RECORD**

Honorable Assistant Commissioner for Patents  
Office of Initial Patent Examination  
Customer Service Center  
Washington, D. C. 20231

Sir:

The Corrected Filing Receipt was received by the undersigned attorney of record in response to a Request for Correction of the Official Record filed on April 30, 1999 in the above-identified application. However, upon reviewing the Corrected Filing Receipt, the error was not fully corrected and is therefore still noted in the "Foreign Applications" information.

In the "Foreign Applications", the filing date of the Japanese priority application No. 62-141050 now reads as May 5, 1987. This is incorrect and should be corrected to reflect the correct date of June 5, 1987. Although this date was inadvertently transposed
